Education Background

- Senior High School Gondang Wetan 1
Pasuruan
- Bachelor Degree of Informatic Engineering
State Polytechnic of Malang
2020 - 2024

About Me

I am a passionate and enthusiastic informatics engineering graduate with a passion for developing scalable web applications and working across backends and frontend. Besides that, I have been working in this industry for more than 1 year. Handling complex problems efficiently and learning something new every now and then has become commonplace for me.

Work Experience

PT Amerta Indah Otsuka | Back-end Developer
